BANNER UP SHOW PIG OATS

Banner Up Show Pig Oats is a special ingredient for show pigs. These oats are 12% Crude Protein with 5% Fat and a low 3% Fiber. Oats are highly palatable to all classes and ages of swine, and are higher in protein and lysine than corn. Oats can be fed to help hold weight ranges and to provide a filler effect.

Banner Up Show Pig Oats have an added Cherry flavor that stimulates the consumption of the feed. This is a great product to mix into the different show diets.

Ingredients-Steamed rolled oats, de-proteinized whey product, soybean oil, cherry flavoring
